

Dear **Parents,**

Greetings!

We hope you all are aware of the recent fuel hike by the Government of Kuwait. Due to which our transport contractor had requested the school to raise the cost for their services since September, 2016.

In order to avoid burdening the parents immediately, we have been taking the incremental cost on the School. However, we can no longer continue the same as it will affect School's cash flows.

Hence the School is compelled to **increase the transport fee with effect from the third term of the current academic year 2016 – 2017.** Please find below our revised annual transport charges:

<b>S.N.</b>	<b>Present fee per year in KD.</b>	<b>New fee per year in KD.</b>
1.	* 120 (Inner circle)	120
2.	120	130
3.	150	170
4.	180	200

\*

**Inner Circle :**

Salmiya : Block 10 and 12

The school is planning to operate one way transport only to the Inner Circle of Salmiya effective from the third term of this academic year 2016 – 2017. Those who wish to avail this facility may do so and the fee for one way is **KD. 70/- per year.**

We wish to thank you for your valued support and cooperation and we know that you will understand the necessity for this fee increase.

With best regards,

**Principal**
